MEMORANDUM FOR: Personnel Director, CIA

VIA

1. Commanding Officer  
Headquarters Detachment  
Room 118  
North Building

1. It is requested that, if practical, an additional Marine Corps representative of the Navy Department be assigned to duty in ORE, vice the Navy Department position vacated on detachment of Commander Edward Rawlins, USN.

2. This position will be placed in the NIS Division and the qualifications and rank should be similar to those possessed by Colonel Taxis and Lt. Colonel Williams, i.e., minimum of ten years commissioned service, broad experience in field operations, intelligence experience is desirable but not essential, good academic background and facility of expression are essential. It should be noted that physical qualifications for field duty are not essential and an officer otherwise qualified as above but limited to duty not in the field would be suitable.
